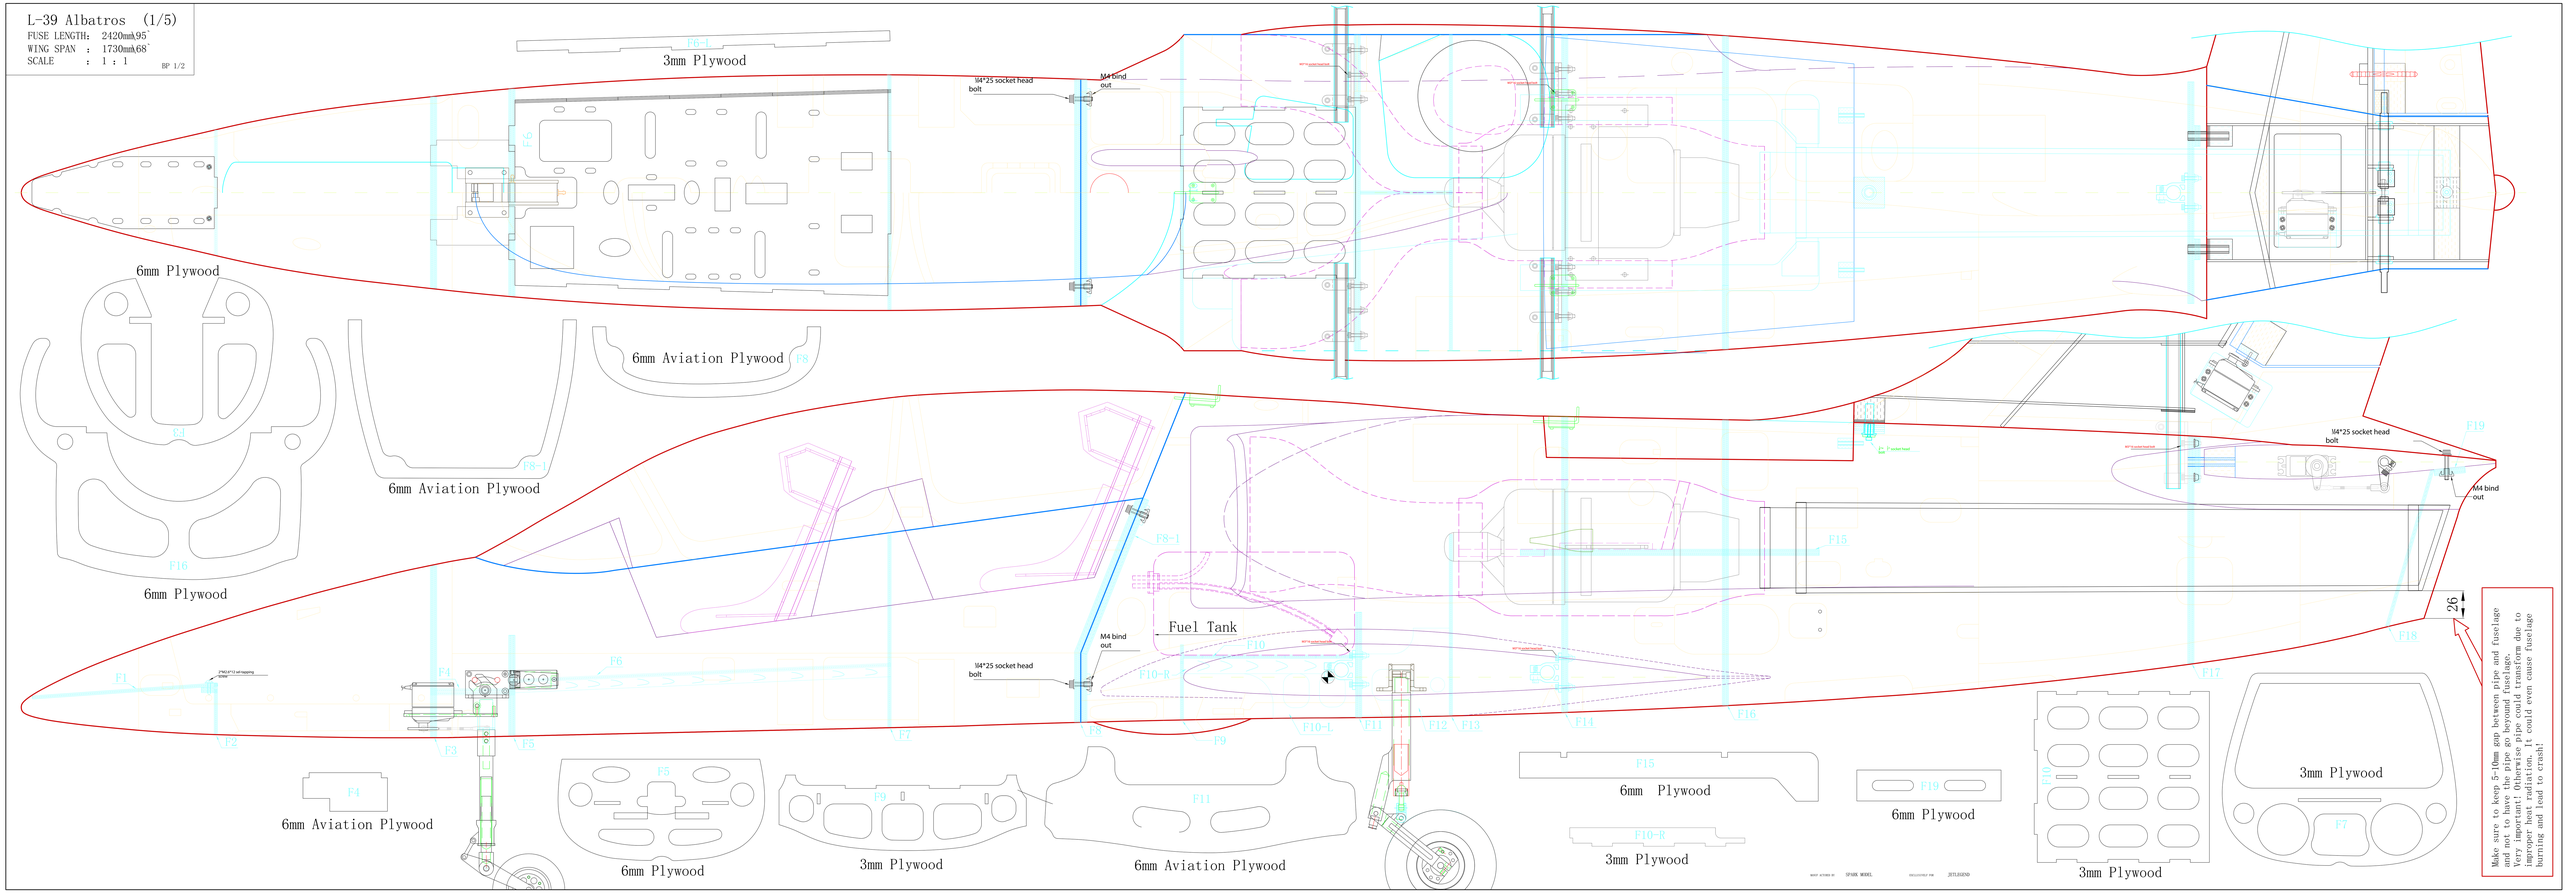
L-39 Albatros (1/5)
FUSE LENGTH: 2420mm95"
WING SPAN : 1730mm68"
SCALE : 1 : 1
BP 1/2



Make sure to keep 5-10mm gap between pipe and fuselage and not to have the pipe go beyond fuselage.
Very important! Otherwise pipe could transform due to vibrations and fuselage to crash! It could even cause fuselage burning and load to crash!

L-39 Albatros (1/5)
FUSE LENGTH: 2420mm95"
WING SPAN : 1730mm68"
SCALE : 1 : 1
BP 2/2
